zenius

INDONESIA'S COMPREHENSIVE ONLINE LEARNING PLATFORM

By Tantia Dian

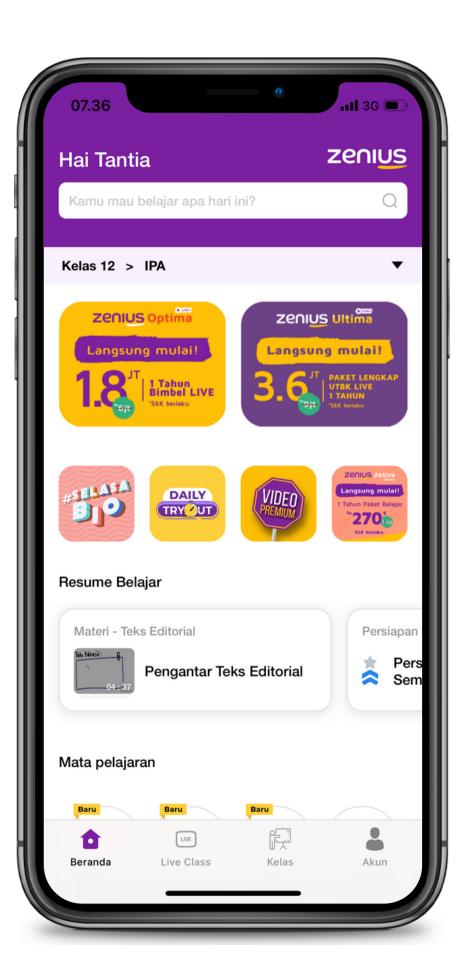

COO, Zenius

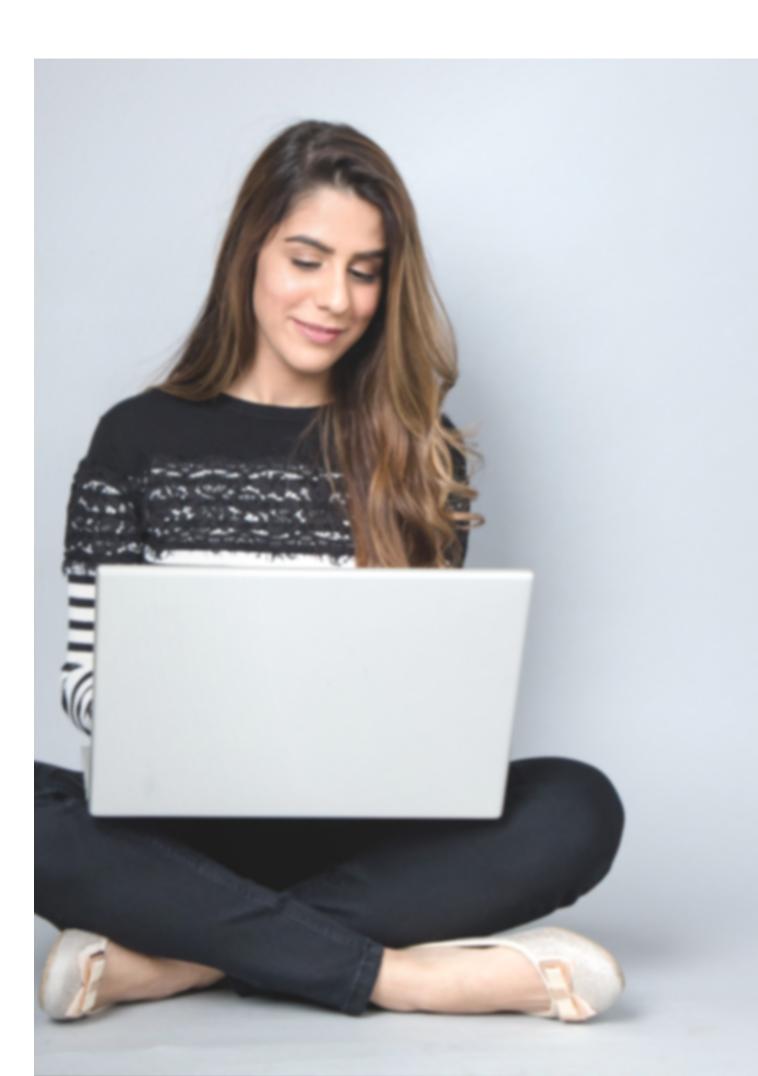

Ex: Alodokter & Traveloka

Innovation in Zenius

- #1 online learning platform for college entrance test like UTBK, SBMPTN++ preparation for the past 16 years!
- Biggest content library with 80k+ learning videos
- Audience spread from K1 to K12
- Strongest alumni base with proven outcomes
- Accessed by more than 12.8 million users

Market Change

- Distance Learning will become normal
- Government has changed the industry dynamics
- Students want to have "social" feeling when studying

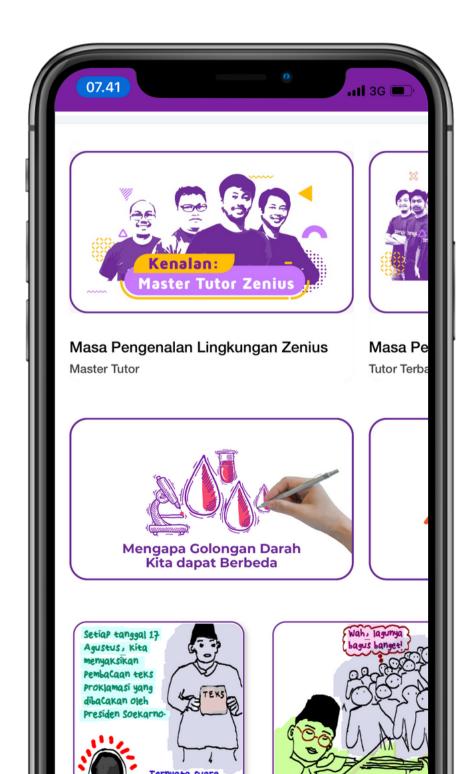

Impact on Product

- How to provide interactivity through online learning
- How to provide social closeness amidst social distancing

02

A. Completely Free during Early Pandemic

 And we still have our free product until now!

B. First Real Live & Interactive Class

- Live class with real interactivity with our master tutor
- Tutor branded as accessible and as closed as possible to students

C. Humanizing Learning

- Learning as a fun process
- Learning can be from any venue and highly correlated with daily life

Thank you!
